| 6 August | 08:29            | Welcome to Changi Airport Terminal 4 |      |         |

The screen at the airport shows the details of the flights.  
Think of ways to tell the time each flight departs.

Telling time is like reading the scales on rulers, weighing machines, beakers and measuring cylinders.

We tell time to measure duration.
